

1st International Workshop on Grammatical Gender Acquisition and Processing

DAY 1 | 28.09.2026 | ROOM C1

08:30 - 09:00	Registration and coffee
09:00 - 09:10	Opening
09:10 - 10:00	Plenary talk 1: Ana Rita Sá-Leite <i>Selecting gender without agreeing: Early and asymmetric ERP signatures of masculine and feminine retrieval</i>
10:00 - 10:20	Sarah Cameron, Natalia Kartushina, Sendy Caffarra & Björn Lundquist <i>Gender asymmetry in Norwegian modulates the LAN, but not the P600</i>
10:20 - 10:40	Rasmus Sinn & Ana Rita Sá-Leite <i>Tracking gender transparency in German: From corpus-based analysis to behavioral findings and ERP data</i>
10:40 - 11:10	COFFEE BREAK
11:10 - 11:30	Björn Lundquist & Deepthi Gopal <i>Testing whether comprehension- or production-based accounts better explain typological patterns in gender systems</i>
11:30 - 11:50	Guro Busterud, Terje Lohndal, Toril Opsahl, Yulia Rodina & Marit Westergaard <i>Grammatical gender and declension class in the Oslo dialect</i>
11:50 - 12:10	Joyce van Zwet, Sharon Unsworth, Rob Schoonen & Eva Knopp <i>Cross-linguistic influence in the acquisition of grammatical gender in Dutch as a heritage language in bilingual children</i>
12:10 - 12:30	Mariam Khokhonishvili <i>When grammar has no gender: Negator choice as a pragmatic gender marking in Georgian L1 acquisition</i>
12:30 - 14:30	LUNCH BREAK
14:30 - 15:20	Plenary talk 2: Natalia Mitrofanova <i>Morphophonological gender cues in child language acquisition</i>
15:20 - 15:40	Anna Skalba, Sylwiusz Żychliński, Witosław Awedyk & Magdalena Wrembel <i>The processing of gender agreement violations in L3 Norwegian: A self-paced reading study</i>
15:40 - 16:00	Daniele Artoni, Marco Magnani & Jacopo Saturno <i>The role of task modality in the L2 processing of gender agreement</i>
16:00 - 16:30	COFFEE BREAK
16:30 - 17:30	Kamil Długosz, Mikołaj Sobkowiak, Anna Olszewska, Anna Skalba & Natalia Kołaczek <i>Presentation of the NCN OPUS project: Bidirectional interactions between symmetric and asymmetric grammatical gender systems in bilingual language comprehension and production</i>
19:30	WORKSHOP DINNER

1st International Workshop on Grammatical Gender Acquisition and Processing

DAY 2 | 29.09.2026 | ROOM C1

- 09:00 - 09:50** **Plenary talk 3: Yulia Rodina**
When two languages interact: Gender acquisition and cross-language activation in child bilinguals
- 09:50 - 10:10** **Joanna Porkert, Ellie Harding, Anna Siyanova-Chanturia & Merel Keijzer**
The engineer introduced herself – ERP signatures of L2 pronoun processing following definitional and stereotypical gender in bilingual young adults
- 10:10 - 10:30** **Katarzyna Jankowiak, Kamil Długosz, Jakub Przybył & Wojciech Hofmański**
Stereotypical and grammatical gender jointly shape lexical processing in Polish
- 10:30 - 11:00** **COFFEE BREAK**
- 11:00 - 11:20** **Anastasiia Ogneva, Yulia Rodina & Concepción Soto**
Do Spanish-Russian bilingual children experience cross-language interference during predictive gender processing?
- 11:20 - 11:40** **Holger Hopp, Vera Heyer, Regina Hert, E Jamieson, Barbara Köpke & Monika S. Schmid**
Associations versus grammatical constraints in predictive gender processing in bilinguals
- 11:40 - 12:00** **Olga Urek, Natalia Mitrofanova & Marit Westergaard**
Gender assignment in Russian palatal-final Nouns: Comparing corpus patterns with child and adult experimental data
- 12:00 - 12:20** **Elena Tribushinina, Heleen de Vries & Pim Mak**
Production and processing of gender agreement by Dutch pre-adolescents with developmental language disorder
- 12:20 - 14:20** **LUNCH BREAK**
- 14:20 - 14:40** **Guro Busterud & Kristin Nordbø Haug**
Anaphoric pronouns in a changing gender system: A case study from a Norwegian dialect
- 14:40 - 15:00** **Olga Steriopolo**
Breaking the binary: The cognitive effort of learning gender-neutral Slavic
- 15:00 - 15:20** **Federica Marengi & Mikhail Kissine**
Real-time reference resolution under competing grammatical and stereotypical gender cues: Evidence from eye movements
- 15:20 - 15:40** **Grażyna Gorbacz-Dailida & Kateryna Iefremenko**
Cross-linguistic influence on grammatical gender in heritage Russian in German- and English-dominant contexts
- 15:40 - 16:10** **COFFEE BREAK**
- 16:10 - 17:00** **Plenary talk 4: Zuzanna Fuchs**
Animate mushrooms: gender, animacy, and “facultative animacy” features during real-time processing in Polish
- 17:00 - 17:10** **Closing remarks**
